Fire. E. Konne: Dear Ser.—I deem it a duty ince you to extrit to the good effect the taking of your medicine had on my health. I was troubled by nervousness brought on by everwork. Your Nerve Tenio almost immediately stepped that peculiar tremor that, I presume, settlene of nervousness. I am now well. My head troubled me, could not alsep, head hot, dreams of accidents, etc. One spoonful of your medicine removed the cause of my dreams; have not had them since; took seven or sight hottles of your medicine. Keep some in my house; always take some occasionally would not be without it; have recommended it to my friends. If I am not mistaken, your medicine will prove a great blessing to this over-worked nation. Yourstruly.
